New styles of knee boots now online

We're excited to announce that we have just added over 100 different styles of knee boots to our collection. Visit the boot section of our website. You now have an extra 11 retro colours in our ever-popular Gogo300 70's style boot still priced at £30, a must for any party.

Due to ongoing requests we now have the Seduce 2013 leather knee boot available in Black/Red/Brown & white for an amazing price of £55. If it's sex appeal you're after then here it is: the Seduce 2064 as pictured above, available in Black PU or Patent with Red detailed back lacing.

Finally if it's pointed boots you're after then click this way to our beautiful Milan 2015's, available in both Black or White Patent.

Size does matter!

In order to increase our customer base (which is growing rapidly) we have increased our size range from UK3 to UK16. Please note that size ranges do vary between styles but we have something for everyone here at Xtreme Footwear. So no more "you won't have my size" because we do!

Tip Tease & Treasure

If you have not visited the platform section of our website for a while then don't delay any longer as we have added 10 new collections to our range including the Tipjar, Tease and Treasure. With over 290 different styles now available online, be sure to set aside a good hour to click through them all and find the hidden treasure.

Free Delivery

What's the catch? How much do I need to spend? Well there's no catch folks and there is no minimum order value! Just select the footwear you want, proceed to the checkout and Bob's your uncle... you won't be charged for delivery!
